Re: Company Name Change: IntelPeer, Inc. to Airus, Inc.

Dear Mr. Derouen,

Please accept this letter as IntelPeer, Inc.'s request to change its corporate name to Airus, Inc. IntelPeer, Inc. is authorized to provide local exchange telecommunications services and intrastate interexchange services pursuant to authority granted by the Commission in Filing No. 5056510 (CLEC), 5179170 (IXC). This name change is not an element of a larger transaction. No changes have been made to the Company's corporate organization or ownership. Moreover, the change of the Company's name does not affect the rates, terms and conditions under which IntelPeer's customers would receive service. Importantly, IntelPeer currently does not have end user communications customers in the State of Kentucky. The Company requests that its authorization in Kentucky be reissued or otherwise revised to reflect its new name.

Airus is a Delaware corporation, registered with the Kentucky Secretary of State to transact business as a foreign corporation. A copy of the Company's amended formation documents is appended as Attachment 1. A copy of the Company's amended foreign corporate qualification document is also provided in Attachment 1.

Revised copies of the Company's approved tariffs in Kentucky are appended as Attachment 2. The tariff material mirrors what is currently on file with the Commission.

The Company information should be amended to the following:

Airus, Inc.  
840 South Canal, 7<sup>th</sup> Floor  
Chicago, IL 60607
